

Dr. John Morton

MBBS (Hons), FRACS (Orth), FAOrthA

Orthopaedic Surgeon

Reduced Private Patient Waiting Times

Dedicated Orthopaedic Surgeon Dr Morton is an expert in all arthroscopic, joint replacement and shoulder surgery.

He is a Fellow of the Royal Australasian College of Surgeons, a Fellow of the Australian Orthopaedic Association and a member of the Shoulder and Elbow Society of Australia.

Dr Morton has great success using the Subvastus approach for Total Knee Replacement surgery to minimise muscle trauma and maximise recovery for his patients.

Dr Morton has also been leading the way in Anterior Minimal Incision Hip Replacements (AMIS & DDA) since May 2011.

This has been an exciting approach to Hip Replacement surgery in Australia, allowing a quicker rehabilitation with less muscle trauma through a small incision at the front of the hip.

With more than 30 years of experience in orthopaedics, Dr Morton has developed a strong reputation in the comprehensive care of his patients from diagnosis, treatment, rehabilitation and prevention of all diseases, injuries and syndromes of the body's musculoskeletal system.

Dr Morton practices at Coastal Orthopaedics and Sports Injuries (COSI), located at Gosford Private Hospital, Burrabil Ave, North Gosford. For referrals, please contact **4323 1122**. Visit www.cosi.com.au for more information on Dr Morton.
