Consultant Plastic and cosmetic surgeon Dr Robert Knight now providing a comprehensive service to the Illawarra allowing patients to have preoperative consultation, procedures performed and recover without leaving the local area.

'Having now spent the best part of 13 years focussing on plastic, reconstructive and cosmetic surgery and learning from some of the best surgeons in the world, I return home to settle and to bring the world to Sydney and the Illawarra. My pursuit to acquire this knowledge and skill set has led me to live and work on 4 continents and study in 11 countries with additional advanced fellowships in craniomaxillofacial and aesthetic/cosmetic surgery from some of the best institutes internationally.'
